

PRESIDENT'S MESSAGE

Greetings from your president. It was wonderful to have so many of you attend our potluck and meeting last month...almost 50! All the delicious food showed that we have a lot of really good cooks among our members! Those who didn't have a chance to see the unbelievable "canine" performance sure missed a great program. The things they are able to do to assist handicapped people are very amazing. The dogs also visit patients in some hospitals and have proven to be very beneficial in boosting their morale and physical condition. Our April meeting has been changed to SUNDAY, APRIL 21st. and will be in the Heritage Room at the Senior Community Center at 1:00 P.M. so mark your calendar NOW! We will be shown a film made in Alaska by Adrienne and Les Kephart's son...sounds very interesting. Having our meeting on Sunday afternoon will hopefully make it possible for those who do not like to go out at nite to attend our meeting and a chance for everyone to see our recently acquired cabinets and the beautiful items that are on display now. Our MAY meeting is also on a Sunday...our annual picnic/potluck will be on SUNDAY, MAY 19th. and plans are being made to go to Campo and visit the Mountain Empire/ Campo Historical Society Museum in the Old Stone Store and also see the Railroad Museum and hopefully take a train ride...sounds like a fun day so plan to be there! It is great having YOU, YOU and YOU as members but I'm looking forward to seeing more of YOU at our meetings! Be happy and stay healthy. *Estella*

PHOTOS FROM THE PAST

Thanks to Barbara Pearce Van Zandt of Fullerton we have received 9 fine snapshots of Lakeside taken November 18, 1924.

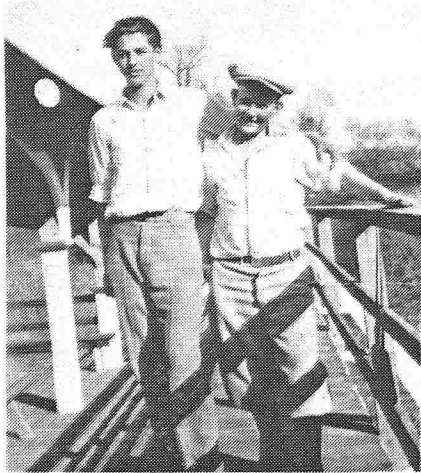

Percy Pearce came to Lakeside in 1924, with his wife and son, Ronnie. His brother, Thomas followed in the late 1930's. He and his wife, Marguerite lived in what they called the "Ice House" on the Inn property. They had one daughter and moved to Lemon Grove in the late 50's.

These photos were handed down to a nephew, James Pearce of Lemon Grove and then to Jim's daughter, Barbara who subsequently has passed them on to our Historical Society. I had the pleasure of talking on the phone to Barbara's mother, Jessie, who still lives in Lemon Grove.

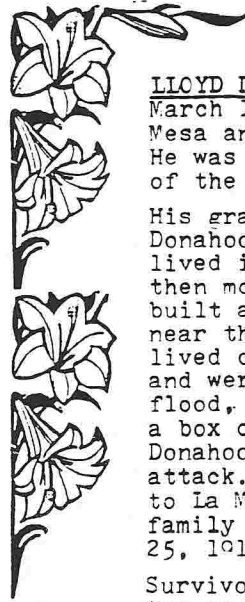

The pictures are on display at the History Store at the Olde Church.

Ronnie Pearce, son of Percy-(L.) and Kenny Blucher (Rt). The Blucher family ran Park Market (located where Payton Hardware is today).

Ronnie worked here and excelled in Eva McCarthy's Drama class when he attended High School at Grossmont. Photo taken in 1926.

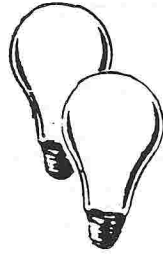

LLOYD DONAHOO, 72, of La Mesa, died March 16, 1991. He was born in La Mesa and lived there all his life. He was founder and first president of the La Mesa Historical Society.

His grandparents, Tom and Alice Donahoo came from Mo. in 1904 and lived in La Mesa until 1913. They then moved to Lakeside where Tom built and operated a blacksmith shop near the old Lakeside Depot. They lived on Maple St, near the river and were flooded during the 1916 flood, and had to find shelter in a box car. During this time, Alice Donahoo suffered a fatal heart attack. At that time, Tom returned to La Mesa where his son Roy and family lived. Lloyd was born Dec. 25, 1918.

Survivors include his wife, Jane; two sons, Roger and Michael; two sisters, Lorraine Turner and Clara Schock; two grandchildren and one great-grandchild.

HEREAFTER - WE WILL SHOW BIRTHDAY & ANNIVERSARY DATES A MONTH AHEAD OF TIME SO YOU CAN GREET FRIENDS IN A TIMELY WAY.

Third-grade project

We are a third-grade class in Sandusky, Ohio, studying about the 50 states in our great country.

We would appreciate hearing from readers of your newspaper. We would like to learn more about your state and the people. We also would like to receive recipes using an important product of your state. We are going to compile a recipe book using all the recipes we receive.

We think this is an exciting way to learn about our country. Our hands reach out in friendship.
