## Across the YEARS

● ON THIS DATE in 1918, to promote food conservation during wartime, the U.S. government called for one meatless day, two wheatless days and two porkless days each week. **JAN. 26**

### One hump ...

... or two? The versatile camel is fast disappearing from the deserts of Saudi Arabia, says the latest issue of *Audubon* magazine. Little-known facets of dromedary lore include these infobits:

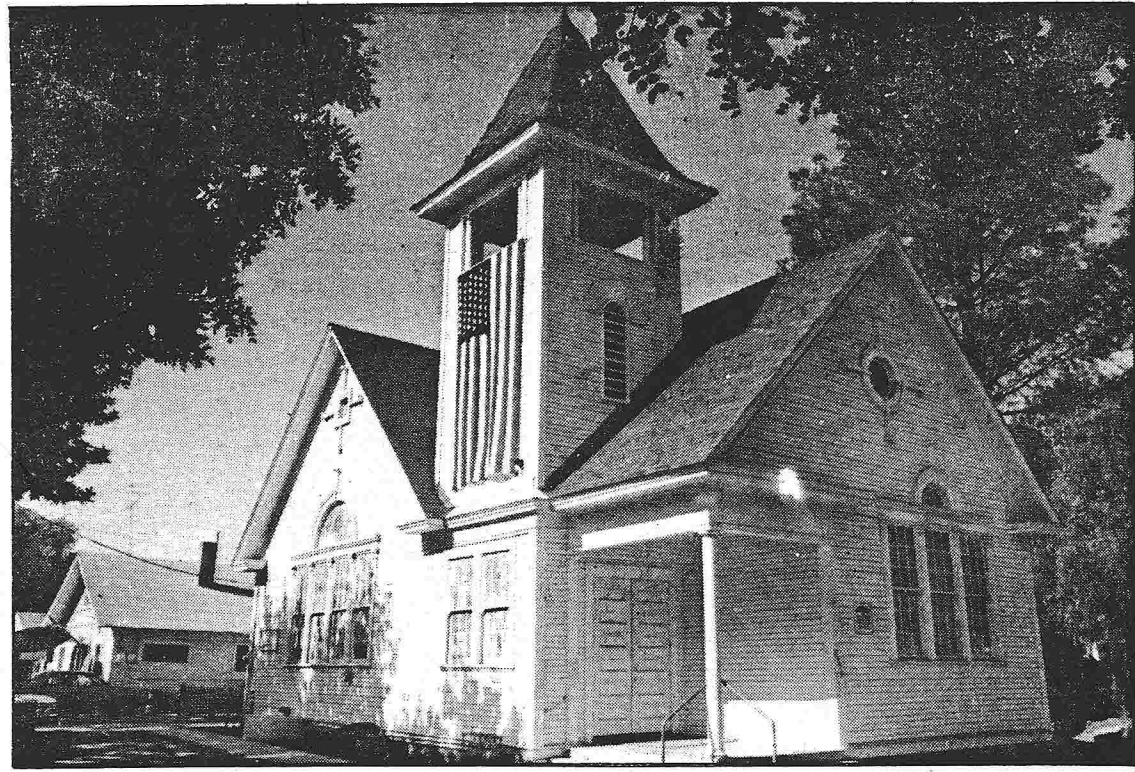

■ Bedouin women wash their hair in camel urine, which kills lice, stops itching and imparts a sheen.

■ Camel milk is "warm, frothy and salty when taken straight from the udder or delicious as cheese after it has been allowed to curdle."

■ Bedouins have 700 words for "camel."  
(We can think of No. 701.)

**INFORMATION AND INSIGHT FOR YOUR PERSONAL LIBRARY**

A new service provided by the Social Security Administration makes estimating benefits easier than ever. Simply request a "Personal Earnings and Benefit Estimate Statement" (Form 7004-PC) from your local office or call 1-800-234-5772 to have one sent to your home. Within six weeks, you will be mailed a summary of your earnings and an estimate of your monthly retirement benefits based on your past and expected future earnings.

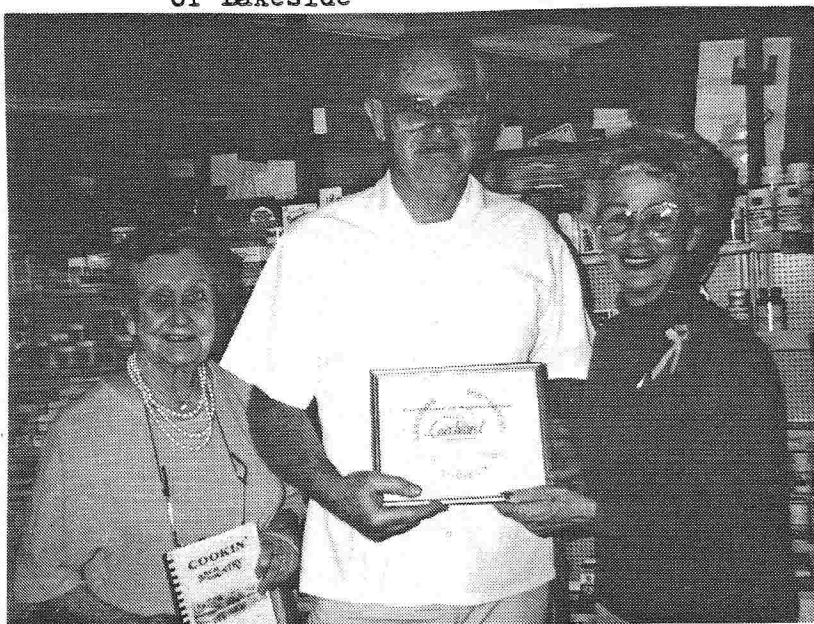

Overestimating pension and Social Security benefits is one of the most common — and most costly — retirement planning mistakes you can make. Gathering this information now may be the inspiration you need to get your personal retirement savings plan on track. ♦

CELEBRATE CHINESE NEW YEAR

**YEAR  
OF THE  
RAM**

1991 - 4689

**YEAR OF THE RAM**

Those of you born in the Year of the Ram 1931, 43, 55, 67, 79 and 1991 like nice things, and may become an artist or musician. You may be shy, timid and somewhat puzzled by Life. Your abilities make money for you according to Chinese Fortune Calendar

The Chinese Zodiac consists of a 12 year cycle, each year of which is named after a different animal that imparts distinct characteristics to its year. Many Chinese believe that the birth year determines that persons personality traits and life style.

**We  
Welcome  
OUR  
NEW  
MEMBERS**

DEAR ABBY: At least 40 years ago, our son who was in junior high needed a motto to use in an art project, so I gave him a Chinese proverb I found in *Reader's Digest*. I cut it out and put it into an antique frame, and it's been hanging on our wall ever since:

"If there is righteousness in the heart, there will be beauty in the character.

"If there be beauty in the character, there will be harmony in the home.

"If there is harmony in the home, there will be order in the nation.

"When there is order in the nation, there will be peace in the world."

- E. COLBY

DEAR E. COLBY: Beautiful!

**PREPARE FOR AN EARTHQUAKE  
Your Survival Depends on You!**

**Car Mini-Survival Kit**

Many of us spend many hours in our cars each week. Anything from a jammed up freeway to a major disaster could force you to rely on your car for short-term shelter and survival. It is wise practice to keep your car stocked with some or all of the following items:

- "Instant picnic" supplies — foods like granola bars, dried fruits, beef jerky, crackers or cookies (replace every 3 to 6 months)
- Extra clothing
  - Comfortable walking shoes
  - Bottled water
  - Small first aid kit
  - Flares
  - Car fire extinguisher
  - Blanket
  - 25¢ for the telephone
  - Compass and road map
  - Ziplock bags, toilet tissue, newspapers
  - Flashlight and batteries
  - Candles and matches in a jar
  - Critical medications
  - A good book

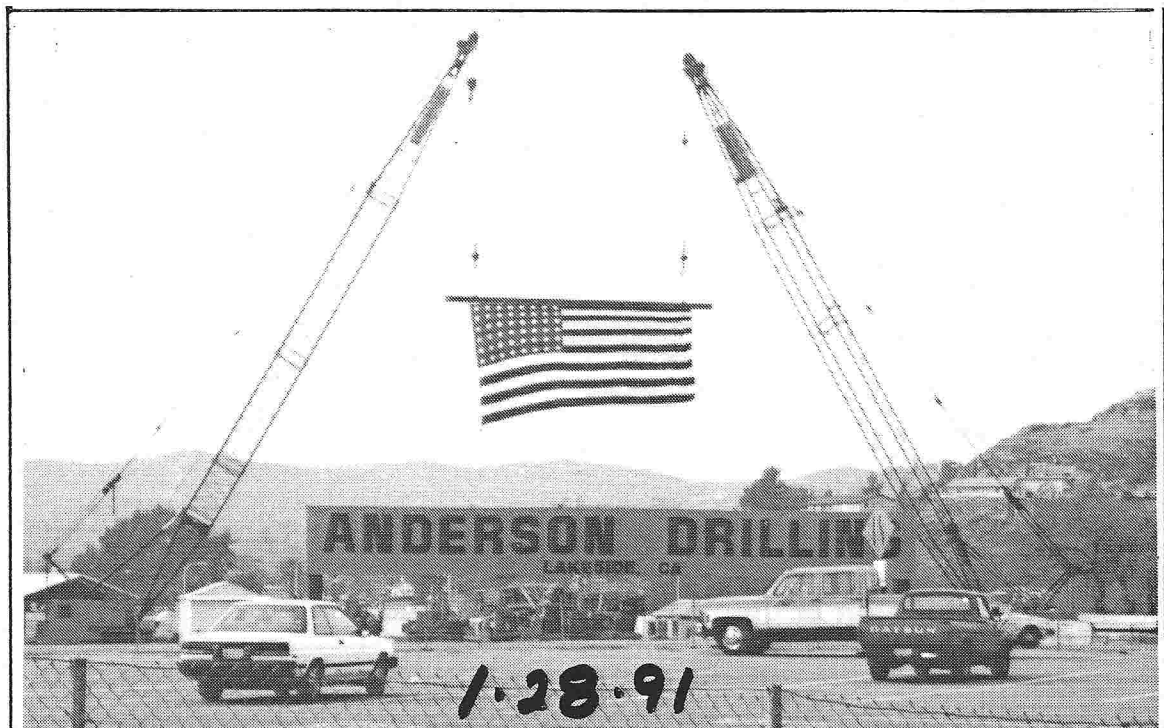

"I'm glad February got cheated out of days and not one of the summer months."
