# President's Message

AUGUST '92

Dear Friends:

Sorry all of you have not yet seen the improvement made on the Olde Church this past month. Thanks to Mickey Campbell, John Slater and Bob Walker - - we have a new, safe and beautiful back door.

The block work is finished on our new fence . . . the brick and wrought iron is next and will complete the fence around the perimeter of the church which will protect the landscaping, building and add greatly to the appearance of this old Historical corner in our town.

*THANK YOU!!*

*THANK YOU!*

We are so thankful to Ralph Anderson and Braulio Batista who have spent many days assembling the blocks. We thank Jim Laws of Ramona; Clary Pratt of Boulevard and Elaine Swearingin Draper of Kauai, Hawaii for donations of bricks and/or money for bricks. We thank Anderson Drilling (Sandy) for supplying reinforcing steel necessary for the wall.

It can not be too much to say Nelson & Sloan Materials for RCP Block and Brick for the

*THANK YOU!*

thank you again the sand and gravel and to cement blocks.

The Lakeside Garden Club is ready to start landscaping as soon as the fence is completed.

We are presently accepting contributions for plants to be placed in our "memory garden" in the name of a loved one.

At our July 27th pot-luck/meeting, a motion was made and passed unanimously that we offer the Lakeside Community Presbyterian Church \$50,000.00 to purchase the property and building which we have been leasing since 1986 and have spent over \$300,000.00 in restoration.

Tickets are now available for the 15th HOME TOWN REUNION, Sunday, October 25th at the Lakeside Community Center. We urge you to get your tickets early - - - \$10.00 donation - - purchase from our board members or at the store - 9906 Maine, P.O. Box 1423, telephone 561-1886.

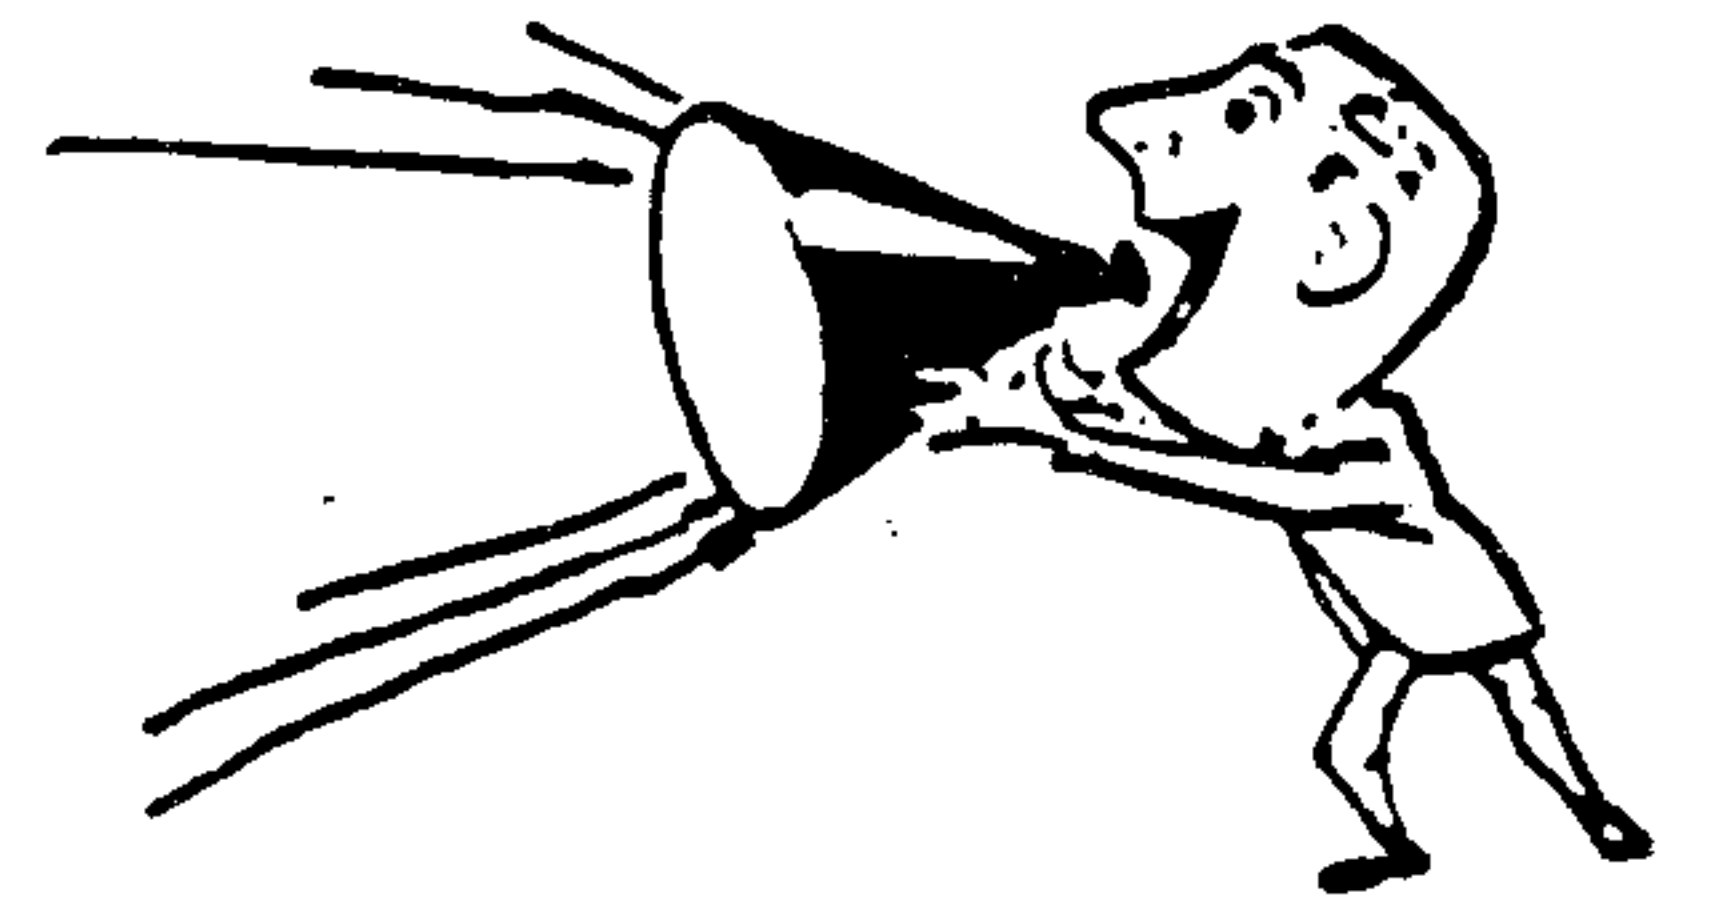

We especially invite El Capitan's first graduation class of 1960 - please pass this information around.

Have a great summer and hope to see you at our September 28th pot-luck meeting.

Thanks for all your cooperation,

*Love, Edna Kouns*

ACHES & PAINS OF ANOTHER KIND - - - - -

After visiting Russell and Nancy in Hawaii, HELEN KANADY arrived home to find the entire house flooded because of a broken ice maker pipe in her refrigerator. After X number of hours, after moving everything out of the house . . . the "flood busters" are repainting, installing new carpets, restoring some furniture . . . etc.

Helen will be leaving Lakeside September 13th after being here since 1933. She plans to sit in a small condo in Hawaii - - enjoy the trade winds - - look at the ocean and watch people go by. Sarah will join her after spending four months in quaranteen.

\* WE HOPE HELEN HAD INSURANCE! ! ! \*
