

President's Message

While there is no general meeting in August, there is still lots of activity going on at the Olde Church. If you haven't circulated a petition in support of saving the "Second School", you can get them at the store. On August 26 at 7pm there will be another community meeting for ideas on possible use of the school -- come and get involved!

We will miss Olga while she is on disability leave - a busy, busy lady who volunteers lots of hours.

After our August "vacation" we jump right into a busy schedule of garden dedication, street dance, hometown reunion, calendar sales, golf tournament and our home tour in December (Whew!).

The Lakeside Historical Society will be selling deserts and snacks during the evening.

Members are requested to donate food for this fund raiser. A sign-up sheet will be at the Historical Society store desk. We also need sales persons to man the booth.

FINANCES

by Elaine Brack. . . Since 6 months of 1993 have gone by already

I thought that you all should know that the finances have been doing well. But with the planned purchase of the Olde Church the budget will really have to do have to do some stretching and pulling to continue with planned projects and restoration. We may have to make some commitments to cut some corners, but when the time comes everyone will pitch in and get things done.

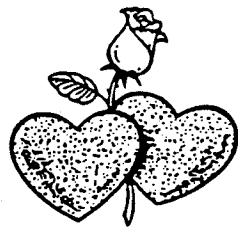

Because of the planned purchase of the Olde Church by the Society the need for new funds becomes more urgent. We need and would appreciate your suggestions as to new methods of raising these funds. As you know a special account has been set up for the purpose of keeping separate the donations of funds for the purchase of the Church from the general funds. Any donation received can be earmarked for deposit in the Building Fund account. We would particularly ask members to take the Society's need into account as the end of the 1993 tax year nears and consult with your tax advisor on the possibilities of a tax free contribution.

COMMENT FROM YOUR EDITOR:

Ever since this Editor tried to economize by cutting the Newsletter down to two (or even one) page because of our goal to purchase the Olde Church. . . there is a great deal going on and much information has been submitted for the Newsletter. We want to print everything

we believe to be of interest to all our readers. So that we could print all the information - it is necessary to use a smaller type. So - - put your specs on - get under a good lamp - and enjoy your newsletter!

CALLING ALL VOLUNTEERS

We NEED you to sit outside our grocery stores to gather signatures on the OLDE SCHOOL petition. Two hour stints would be great! You will find the sign-up sheet near the telephone in the store.

Tomorrow is a promissory note.
Today is cash in hand. Spend it wisely.

ACHES & PAINS DEPARTMENT

When state Senator LUCY KILLEA (our member) showed up at a reception the other day with one side of her face a mass of bruises, she had an easy quip to explain it. "Scars from the Budget Battle", she said. . . The real story: Killea, 70, fell during one of her daily jogs.

LEDA DUNLAP - pneumonia and complications.

MICKEY CAMPBELL - hip replacement.

OLGA PUHN - fractured pelvic, now home from Kaiser and recuperating.

LA VORA RAY is scheduled for two (!) knee surgeries.

RONALD and ORVILLE HUFFMAN have had a very hard month (July). Ronald was in the hospital in El Cajon around July 1st, but now is at home and is feeling better. ORVILLE went into the hospital July 15th and is recuperating very well.

1st ANNUAL GOLF TOURNAMENT by Virginia McGuinness

Scheduled for November 4th the planning is in its infancy. Lots of ideas whirling around and where they will stop - nobody knows. Here are a few known facts: maximum players - 72; \$25.00 per player; Shotgun start 7:00am. After the golf (between 11:00-12:00+) we will meet in the Willowbrook Club House for a light lunch to be organized by DELORES MEYER. Prizes will be awarded at this time.

WE NEED volunteers to visit local business men and private individuals to contribute \$25.00 (tax free) to sponsor a hole. A poster will advertise the business of donor - or in the case of a private individual a

poster thanking them or can of course be anonymous. WE NEED prizes - the golf shops will be invited to contribute - but how about you ladies who are clever with crafts, perhaps you can make something we can use as a prize (there will be lady golfers too). WE NEED a volunteer to sell raffle tickets as the golfers assemble around the course and later in the club house. WE NEED a minimum of 4 (6 would be better) male and/or female volunteers to sit under shady tree on the golf course selling beer and soda. Flyers soon will be ready to distribute EVERYWHERE and to EVERYONE!

BE LATE FOR SOMETHING DAY. Sept. 5. To create a release from the stresses and strains resulting from a consistent need to be on time.

BRIEFS ABOUT OUR TOWN & PEOPLE

||| TINA BRADY vice principal at Eucalyptus Hills Elementary School in Lakeside. The fourth-grade teacher was named Teacher of the Year for innovative teaching methods that bring subjects to life in the classroom.

||| Budget cutbacks will affect virtually every county department, place 480 jobs at risk and close four East County parks. More than 60 recommended reductions include our very own century-old Lindo Lake Park, Harry Griffen Park, located in both El Cajon & La Mesa; Nancy Jane park in Crest; and Eucalyptus Park in La Mesa.

||| The 26th Annual Descanso Parade & Fair (July 10) honored the late LUKE WOODWARD BARBOUR, a friend and community activist. Mr & Mrs Grand Marshals were LEONARD & JUANITE PHILBROOK (life members of LHS. . Leonard drove his tractor down the parade route, while Juanita followed in an antique sedan.

||| Son of JUNE CHRISTOFFERSEN, Lt. CRAIG P. CHRISTOFFERSEN, USN was promoted to Lt. Commander on July 19.

||| RICHARD HENDERSON, principal of Lakeside Middle School, is retiring after 32 years in the Lakeside Union School District. HENDERSON, who will move to his native Missouri, spent his entire career as a teacher and administrator in Lakeside.

||| Lakeside's oldest school, built in 1912, was given a six-month reprieve by the Lakeside School District governing board. Presently being used as a warehouse, the old school was to be demolished. Historian EDNA KOUNS said the building is the second one built on the site. The first one burned down. It was used as a school for 24 years and later used as a community center. Members of the LHS turned out during the school board meeting in an effort to persuade officials to save the building. BARBARA WHITLOCK, president of the LHS is hoping a grassroots effort by Lakeside residents will help give the school another life.

||| It was heard through the good old grape vine that PRU & WAYNE HOLDEN had a great week celebrating their "50th". They began their celebration with a special luncheon at the Senior Center on Wednesday, July 14th and then on their "big day", July 15th, they attended a Padre game with friends. They had special events planned for them all week long. Congrats PRU & WAYNE!!!

||| On Sunday afternoon, July 18th the San Diego Carriage Club of San Diego came to see the Olde Community Church. Their leader that day was ED DULING. He lead the group out and about Lakeside for a 60 mile tour of the surrounding area. They all had a great time seeing the restoration of the buildings and grounds. Many had a great time looking at the pictures and asking many questions about places and people that they knew lived in the area. If anyone from the group is reading this. . .PLEASE STOP BY AGAIN. . .because it was great fun to see the old cars and meeting nice people.

- - -FROM OUT-OF-TOWNERS- - -

||| ELAINE SWEARENGIN DRAPER writes from Kauai, Hawaii - - Nine months after hurricane Iniki, the DRAPERS are still not back in their house. Stop in the store and read this blow by blow description of their trials and tribulations. Daughter HEIDI and husband MIKE have waited a long time to adopt a little 4 year old boy, NICHOLAS. Social Services recommended they attend parenting classes. Between 1st & 2nd classes - - yes, HEIDI got pregnant and they are expecting their "second addition" in January. Double Congrats!!

||| MILLIE WHALEY called from Conroe, Texas to tell us she is getting ready to submit some short stories for our new - to - be - published book. Are YOU working on your memorabilia?

||| AMY SIMON has joined San Diego Historical Society as assistant curator for costumed and textiles. SIMON will be responsible for maintaining, conserving, restoring and displaying the Society's costume and textiles collections.
