President's Paragraph by BARBARA WHITLOCK

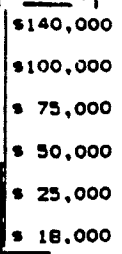

A very successful golf tournament since our last newsletter! Thanks to VIRGINIA McGUINNESS for all her work putting it together and to the crew who worked that day. Seems like it was the same crew that helped at the street dance!

We have already received some '\$200 per member' donations toward the purchase of the building (one donation for \$1,000). Positive thought with checks attached! Keep up the positive thoughts (and the checks also) as we have signed an agreement with the Presbyterian Church on the purchase price for the Olde Church and now we await all the necessary approvals from them. We are confident we can be in escrow by the end of the year!

PAT ELLWOOD gave a great program at the September meeting. If you weren't there, you missed the history of Sacramento and an excellent presentation. October's meeting is the night after the Hometown Reunion - October 24th. Come, sit and relax, and enjoy another great program - Sheriffs and their Dogs!

The first meeting of the Olde Community Church Centennial Celebration Committee (OCCCCC) will be held November 2nd, 9AM at the Olde Church. Like GEORGE BURNS, we are nearly 100 and need to make our celebration plans now!

SUMMER'S OVER - - AND BOY DID SEPTEMBER COME IN WITH A BANG!

by ELAINE BRACK, Treasurer

Everyone has really pitched in to make 2 big money raisers a huge success. Between the Street Dance and the Golf Match, I have deposited over \$3,000 to the Building Fund.

The Building Fund is growing by leaps and bounds - - and the Society membership has been making donations in many different ways to make the Fund grow. If you have any fund raising ideas or would like to contribute in any way, please feel free to contact me.

NOTE: ORGAN & MUSIC LOVERS

The San Diego Chapter of the American Guild of Organists sponsored their 10th annual bus tour (9-25-94) which included a visit to our Olde Community Church.

The host was GEORGE BUTTERFIELD (a LHS member), a former Dean of the AGO, who is currently Vice President & General Manager of ORGAN STOP, Inc. of San Diego.

MR. BUTTERFIELD is also Principal Guest Organist at the Spreckels Organ Pavillion in Balboa Park and organist of La Jolla's Fourth Church of Christ, Scientist. A review of previous ORGAN CRAWLS and visits to the Channel Road Presbyterian Church will be given in our NEXT newsletter - - - WATCH FOR IT!!!

TREE PLANS TAKE ROOT

by MICHELLE SPARKS, Daily Californian

"Everybody in town wants to do it!" Lakeside citizens will begin planting trees along State Highway 67 in November. Lakeside residents CONNIE BECK and DENNIS BERGLUND are coordinating tree-planting project. The first trees will be planted along a five-mile stretch on 67 from Riverford Road to Vigilante Road.

BOATING the BAY - - CHARTER your WAY

TOURS now booked out of NAHCOTTA

STAN ANDERSON has a boat - a friend had an idea - RESULT: 4 HR. TOURS (with historical commentary) that circle Long Island in the middle of Willapa Bay, Washington. A local teacher (who teaches Peninsula History & Geography) says this type of tour is tailor-made for studying critical environmental issues of that bay.

With family help, their BOAT (covered with flags) won the Judges' Special Award #1 for the Fourth of July Parade held at nearby Ocean Park. For details, see articles of interest at our LHS store.
