ALL THE NEWS THAT'S NEW

President's Message

by Gertrude Davis

Congratulations to Olga Puhn who received the Congress of History's "Award of Merit" for her presentations to schools and various organizations. Also to the Historical Society on the "Award of Merit" for the acquisition of the Olde Church as our own "home".

Thank you to all who keep the "Store" open, and to those who do the many kinds of work necessary to make the rooms available for meetings and events held each month. Thank you to those who organize special events to benefit our Treasury.

Also we must thank those who organized and accomplished the special mailing last month. The response is just great! Thank you

Thanks to each one who in any way, gives time and energy to keep the affairs of the Lakeside Historical Society moving ahead.

See you at the next meeting.

Treasurers Report

by Elaine Brack, Treasurer.

OH! Another month has gone by and the Societies financial activities have been going great. Please note the thermometer is coming down - - - The donations for the Mortgage pay-off in February the principal has dropped from \$114,000.00 to \$107,193.35 . . . Isn't that great! I told everyone that I dreamed of 2 donations coming to the society for \$5000 each. I am still holding that thought.

There have been many who contributed towards the down payment on the Olde Community Church.

80th Birthday Celebration:

by Margarite Sherman

Story Teller **Dillon McMILLON**, known as "Mac" celebrated his 80th birthday with 50 friends and neighbors at the Lakeside Historical Society Social Hall, Mar 4, 1995.

Mac enjoyed visiting and having lunch with old friends. He is well known for his stories, especially back on the farm in Arkansas. His son, Paul, daughter-in-law Jan and the two grandsons planned the surprise party. The Hall was ideal for the celebration.
