Letter from ROSEMARY NELSON STRICKLER,

Los Bando, CA. "How thrilled I especially am with all you have done in Lakeside to preserve and beautify our childhood memories. You are an unbelievably great group. So pleased we can help albeit in a very small way!!!"

- - - - - Not so ROSEMARY. There is no such thing as a "small" contribution. Also, our apologies for leaving out recognition of yours and CLYDE's May 4th, 52 Anniversary. Congratulations, and hopefully, we'll get you on time in the future.

FROM LETTERS TO THE EDITOR - DAILEY CALIFORNIAN
ODE TO MOURNING: OKLAHOMA'S TRAGEDY

Three little bunnies, a figure of eight
Within the rubble, they sit and wait:
A small white shoe, a broken toy
As our tears fall, they find a boy.

Hours pass in the wind and rain
We know life will never be the same.
Upon each face we look and stare
See the pain of each other there?

Tiny blue sandal, a story book;
A bag of diapers, we look and look
Beneath the tons of concrete block
The race is on to beat the clock.

The haunting toll of the church bells ring;
We meet together to pray and sing.
We look inside and we ask why
Why did all the innocents die?

Oh, God, bless America, we sob.
For death has entered to hurt and rob
Then lift our hearts to God above
To find the peace within his love.

PLEASE FORGIVE - AND THEN NOTIFY ANY LHS VOLUNTEER OR
CALL 561-1886 SO WE CAN CORRECT FUTURE ISSUES.

RUSS & SHIRLEY HOMANS' younger daughter, TERRY HOMAN, is a resident of Edgemoor Hospital, Unit Santa Maria B-5.

Six years ago she suffered an asthmatic heart and lung shut down, little oxygen to the brain, leaving her impaired. Her older sister, CAROL HOMAN WERNER is asking any of her old friends from Lakeside (Class of 1966 - El Cap) to brighten her day by stopping in to say hello.

FROM HAZEL PRATT, OGDEN, UTAH
Thanks to HAZEL for news about CLARY in Boulevard who has been having some serious health problems. However, he is home convalescing after spending time with AUDREY & ERLENE. We hope they can all be at the OCTOBER REUNION.

SPORTS

- At a sporting event the fans who drink the most beer always sit in the middle of the row

MAINE AVENUE REVITALIZATION ASSOCIATION

has been awarded a \$121,000 Community Block Grant by the Board of Supervisors. Work should begin in 1996 making improvements to sidewalks, curbs, gutters, wheel chair access, and improved drainage along Maine Avenue and Laurel Street.

The association bought a new storefront awning for Village Carpet and assisted Better Buy Auto in painting the outside of their building. A hand carved wood sign for the new home of the Chamber of Commerce is in the making. Certificates of Appreciation will soon be awarded to businesses who have improved the aesthetics of their building.

WESTERN STREET DANCE

is set for Saturday, September 9, from 6:00pm 'til 12:00am. Added this year is a STREET FAIRE, beginning at 2:00pm with entertainment for the children.

Chance tickets will be sold - the prize being a "Walk On Part" donated by Stu Segal Productions who filmed the Renegade TV show.

FUTURE PLANS include working with Cal Trans to adopt the triangle of land at the intersection of 67/Mapleview/Maine for a monument sign which will denote "Lakeside Historic District". Stu Segal Productions offered to donate the rustic wood carved sign.

- A true sports fan is one who can leave a game and ask, "What cheerleaders?"
- Exciting plays usually happen when you're getting something, going to the restroom, or watching the scoreboard.

LHS & WOMEN'S CLUB WORK WELL TOGETHER - - The Historical Society luncheon in conjunction with the Women's Club of Lakeside on May 5th & 6th was well attended by the community. The success of the luncheon was due to time and effort by the ladies of LHS. The menu included home made soup, sandwiches and dessert. Through this effort the LHS made over \$200.00.

The WOMEN'S CLUB displayed over 80 quilts and various other hand made items. Also included was a Boutique selling home made items and miscellaneous. The Chairmen, YRENE WOODS felt the Quilt Show of '95 was a huge success.

In Memoriam

GENEVIEVE LAYMAN, 81, died March 13, 1995. She spent 18 years in Lakeside restoring the Castle House where she and her husband, DAVID, resided. GENEVIEVE shared her home with the community by holding Open House many times. GENEVIEVE worked on genealogical research with the Mormon Battalion Historical Organization. She was an honorary Life Member of LHS.

A memorial service was held March 20 at the LDS Chapel in El Cajon where she was a faithful member. Survivors, besides her husband of 50 years, include a son, THOMAS of El Cajon; Daughters, VINNETTE LAYMEN of Lakeside and VICTORIA GILBERT of Santee; 5 grandchildren and twin great-grandchildren.

PROGRESS? One of Lakeside's remaining open spaces has lost out to the symbol of sprawling American suburbia: the shopping center. Los Coches Road and Camino Canada, will be the future site of Wal-Mart, Vons, as well as smaller shops. The commercial project is expected to be completed by early 1996. 240 acres of the 377-acre project will be allocated to permanent open space.
